Harry St. John Tucker, Secy.
Governor.

The Hon. H. H. Harwood
Tucker announced his candidacy
for Governor of Virginia, and
the Farmers' Tobacco Growers
of the State are unanimous in their
endorsement. He has a host
of friends in the community who
will be happy to support him. He
is a strong, manly, progressive
in his views, and believes in the
welfare of the people. The plan
of "Farmers' Taxation" is a
sound one, and it will be
beneficial to all. He is a
true friend to the rights of
the farmer, and he
will help to see to it
that the people are treated
fairly.

The Farmers' Taxation
meeting was held at the home
of Mr. J. B. Bowditch on Saturday,
February 28, and decided to call a mass
meeting of farmers to meet at
the State convention grounds
on March 1st, to demand
the adoption of the plan.

A colored boy named Phil
Allen was last night Justice
of the Peace in Statuary, on
charge of having sold a
gun to a Negro. The boy
was found guilty and sent
to jail.

The Local Farmers' Union
met here on Saturday and
agreed to buy out the
Local Farmers' Union in
order that it might be
possible to have a meeting
of all the farmers in the
Nearest come up here again
at noon, bringing a large
sum of money and they intended to
use it to buy out the
Local Farmers' Union.

Professor Harry Granger
and George L. Brown have been
asked to superintend the work
of remodeling a meeting place
and we are looking for the
best proportion which my life-time experience has found
to be best for each crop for which the fertilizer is intended. The results of all this care is, naturally, a complete mixture which is really the "last word" in fertilizer. So, you see, I am justified in feeling proud of the Royster Products, which come from our fifteen up-to-date plants.

A. R. HARWOOD, Sec.-Treas.

Attention Farmers!

THE FARMERS' TOBACCO WAREHOUSE COMPANY is offering to actual tobacco growers only a chance to subscribe to an additional stock issue of Ten Thousand Dollars. New stockholders to participate in any dividends paid at close of season at same rate as original holders.

This is a splendid chance to invest your money in a paying business. Subscription books will close April 1st, and payment in full for all stock subscribed will be due at that time.

Apply if interested to W. O. MOSS, Manager.

ROYSTERS FERTILIZERS
Fertilizers have stood the test of time.

Because---

I maintain three very extensive chemical laboratories in which all materials are thoroughly tested. No harmful materials can ever enter into Royster goods. Our home and foreign markets are picked over for the choicest raw materials; then I formulate them in just the proportion which my life-time experience has found to be best for each crop for which the fertilizer is intended. The results of all this care is, naturally, a complete mixture which is really the "last word" in fertilizer. So, you see, I am justified in feeling proud of the Royster Products, which come from our fifteen up-to-date plants.
